“Fairy tales are more than true:  
not because they tell us that dragons exist,  
but because they tell us that dragons can be beaten.”

Neil Gaiman

# Doris

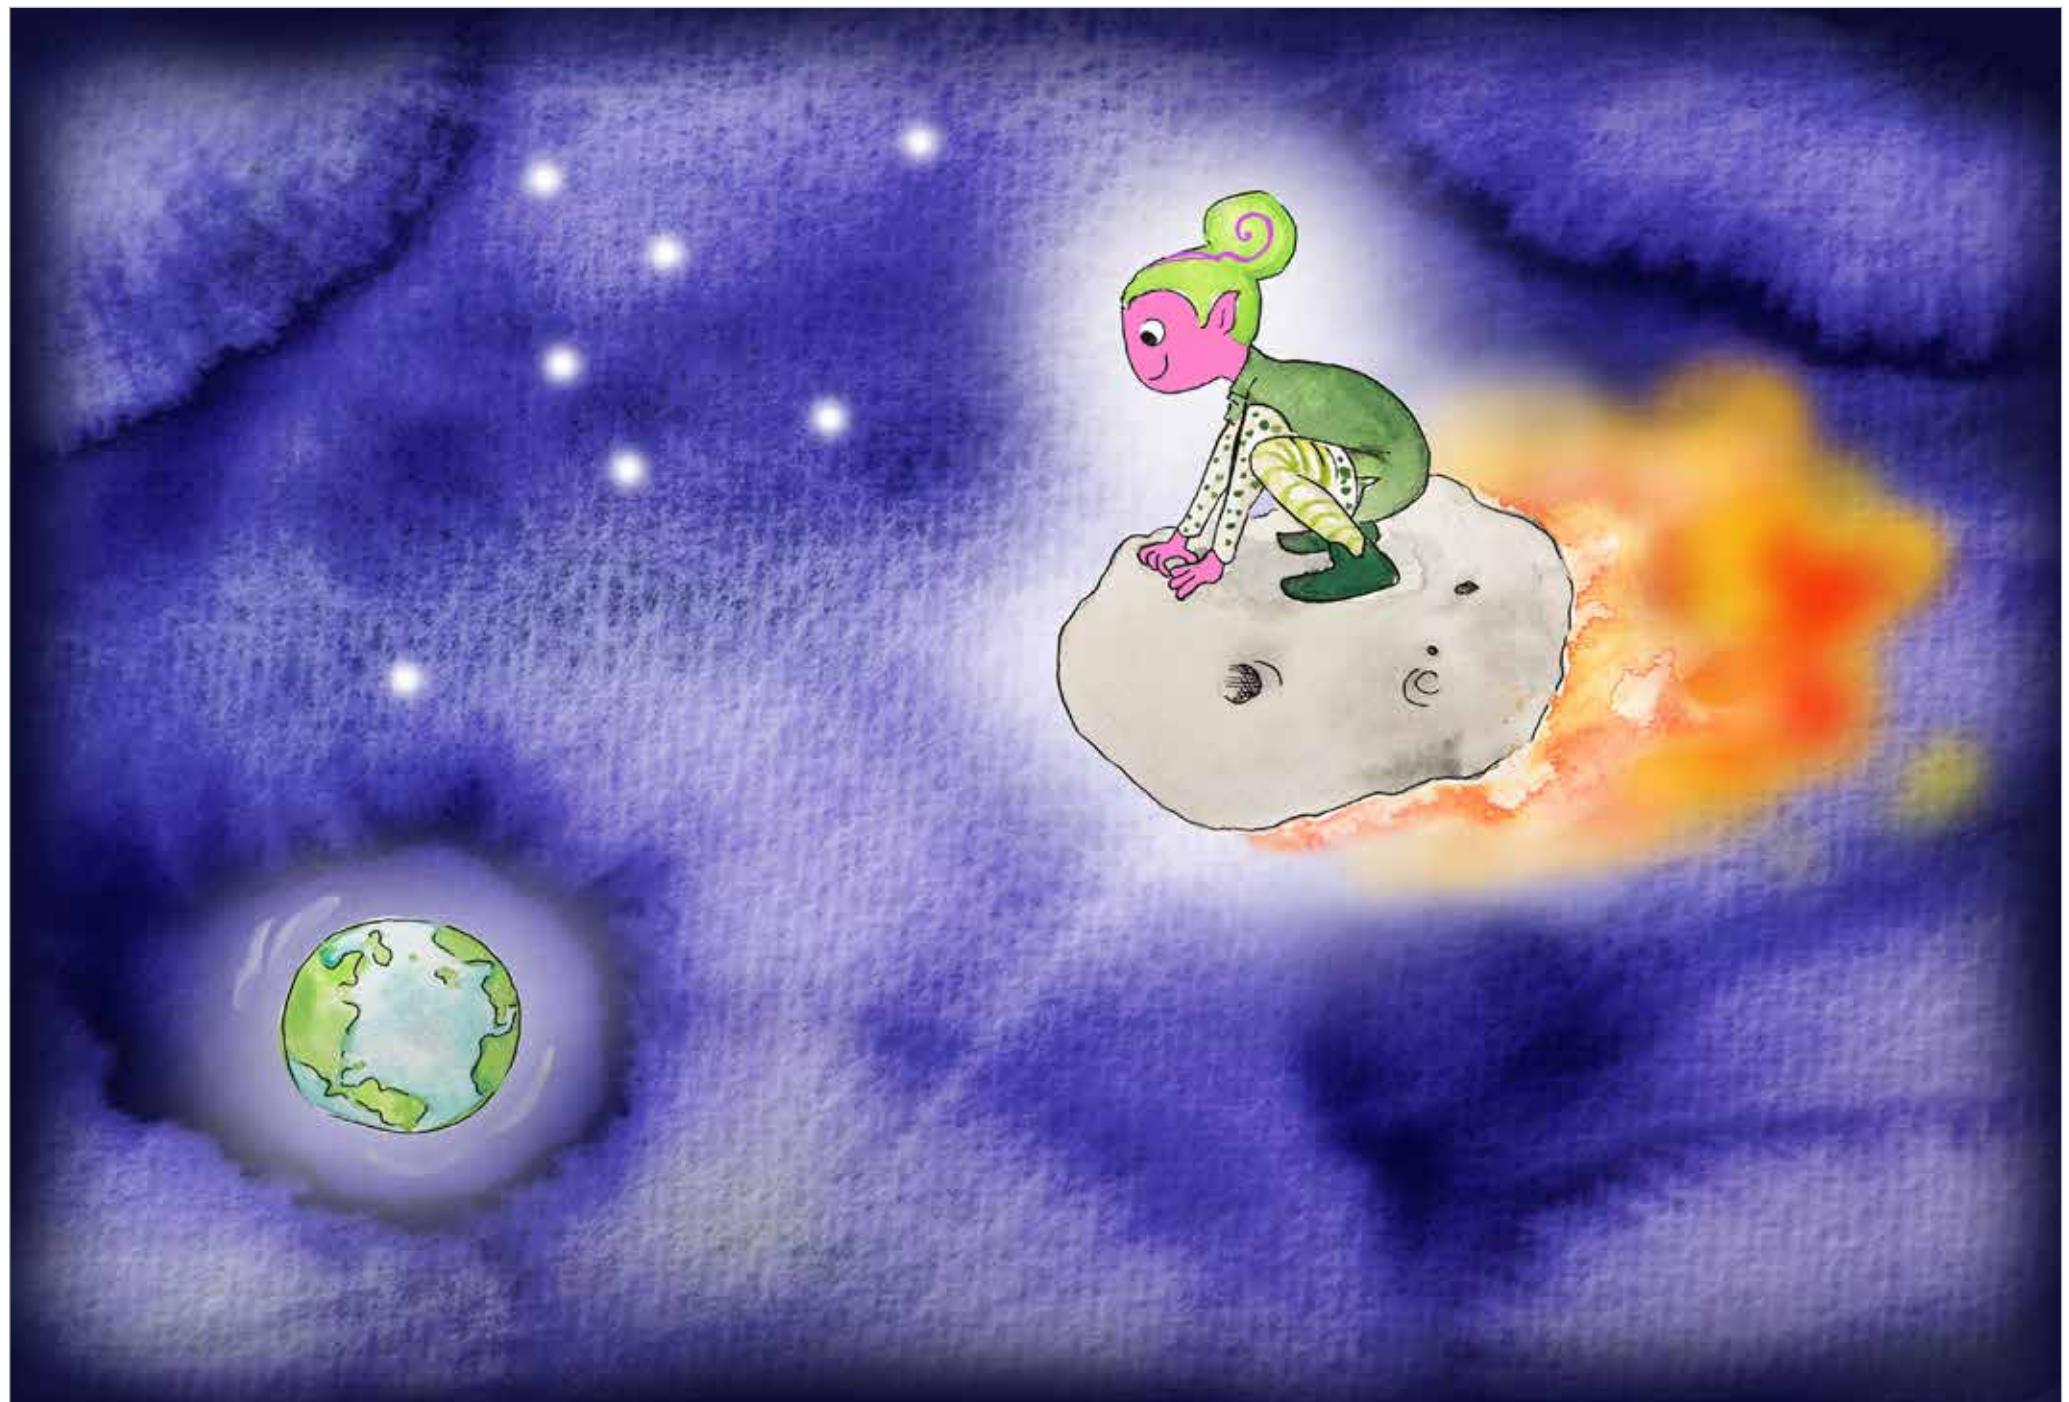

Swedish Modern Story  
French language version

---

*Author:* Viksjöfors school children year 4

*Illustrator:* Ida Uddas

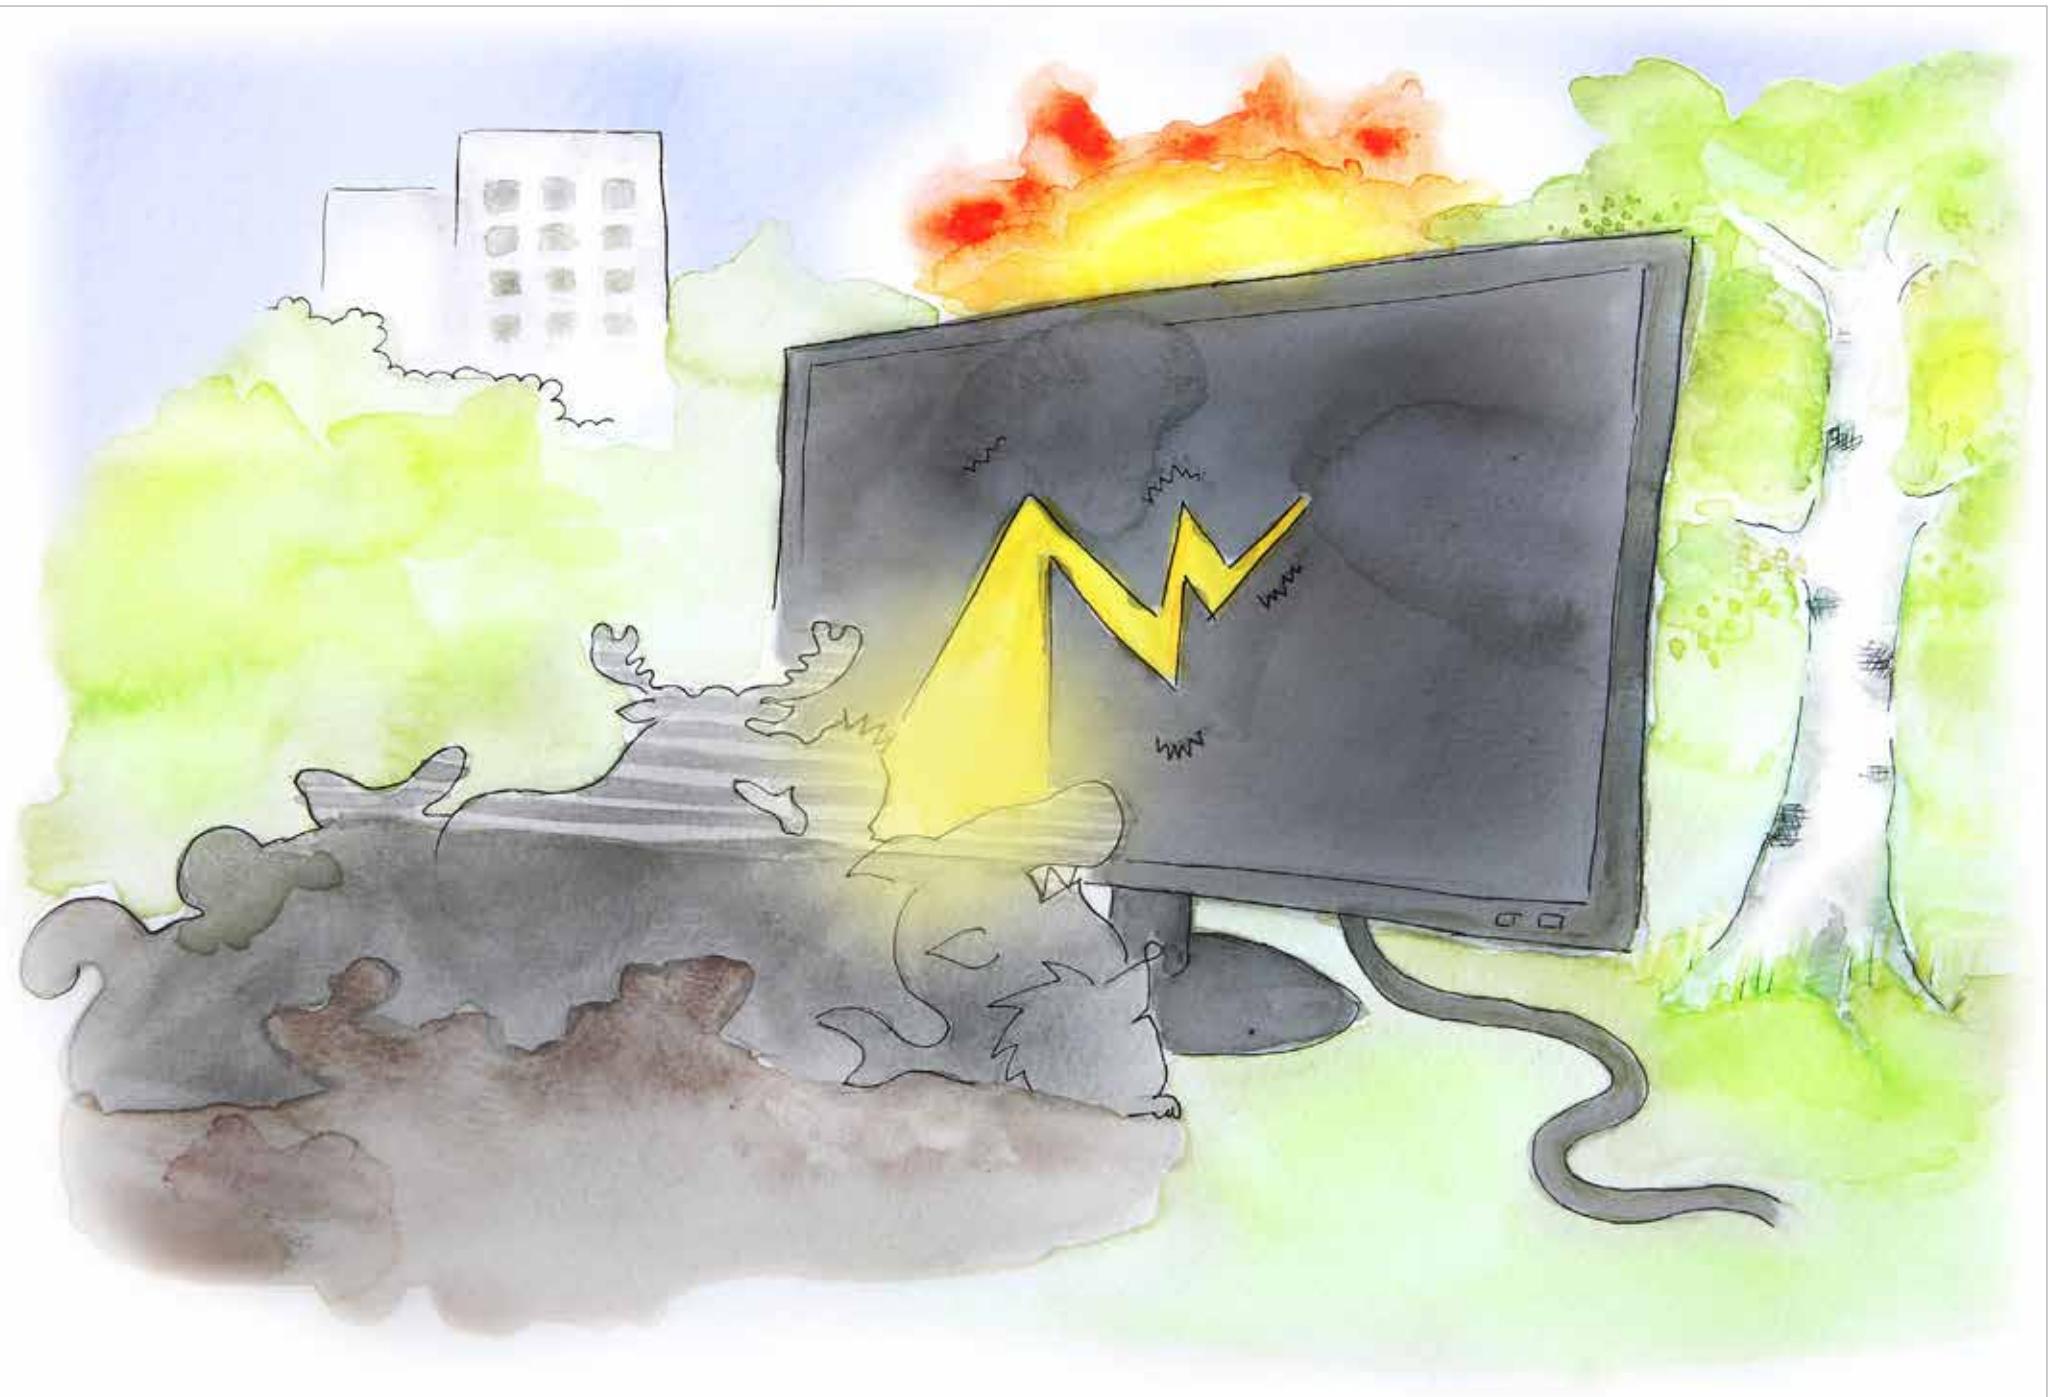

Doris l'extraterrestre arriva sur Terre au volant d'un astéroïde.

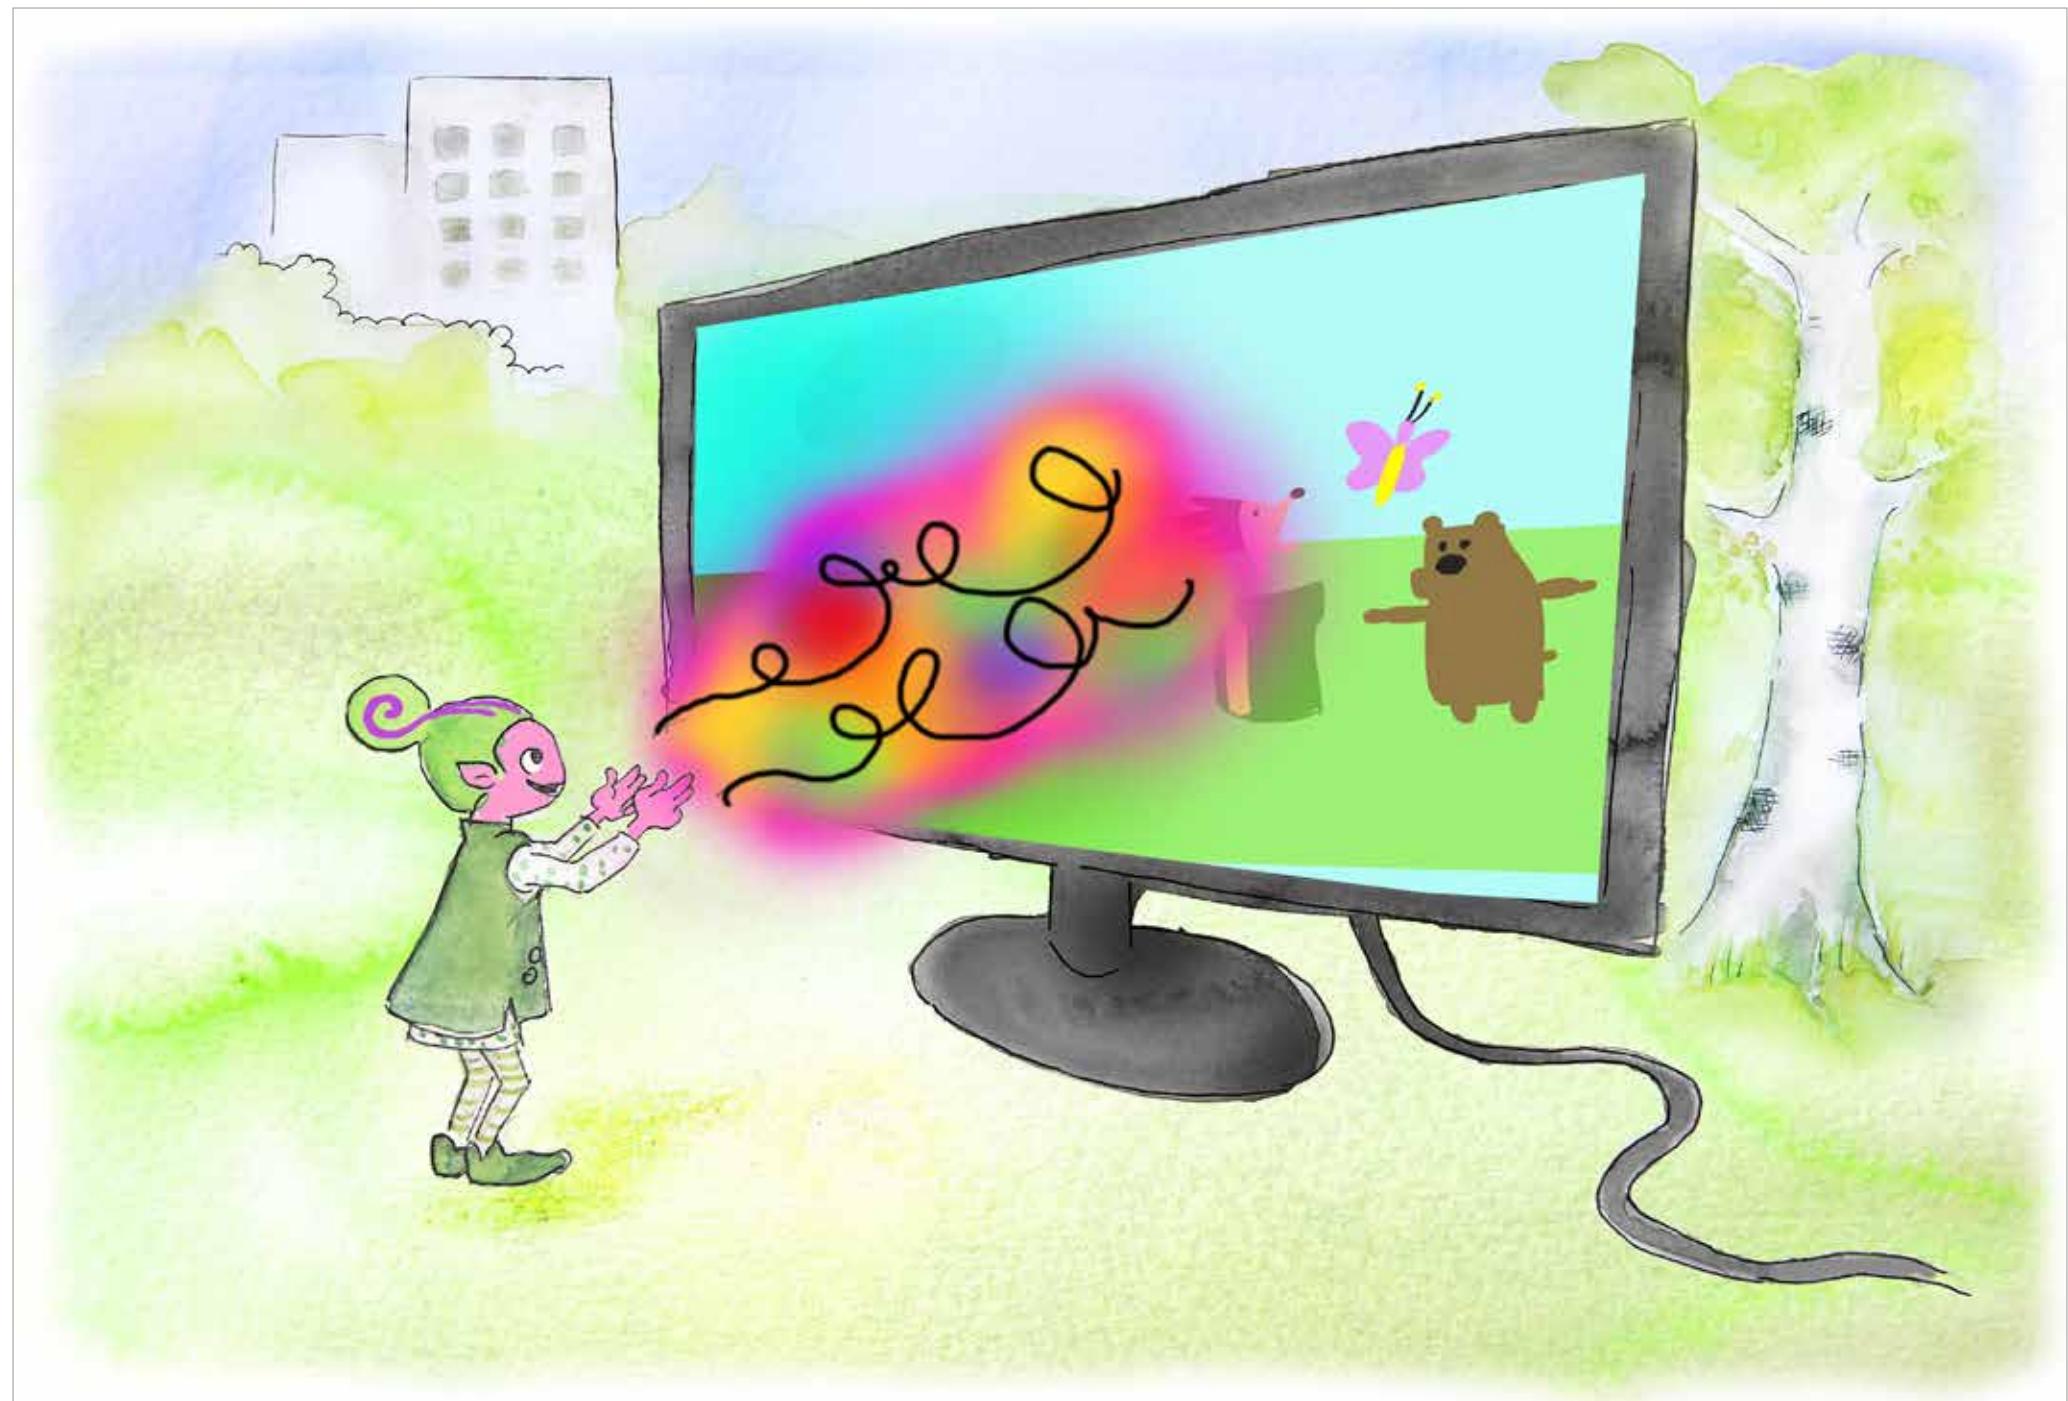

Tous les animaux et les humains qui avaient vu l'astéroïde tentaient de se mettre à l'abri. Ils essayaient tous de se cacher derrière un écran géant d'ordinateur. Il y avait un roi, une reine, un aigle, un tigre, un troll, un hamster, un élan, une loutre, un éléphant, un lion, un loup, un ours, un enfant, un dauphin, un dragon, un hérisson, une abeille, une poule, un requin, un papillon, un écureuil, un phoque, un zèbre, un perroquet, un poisson rouge et un loir.

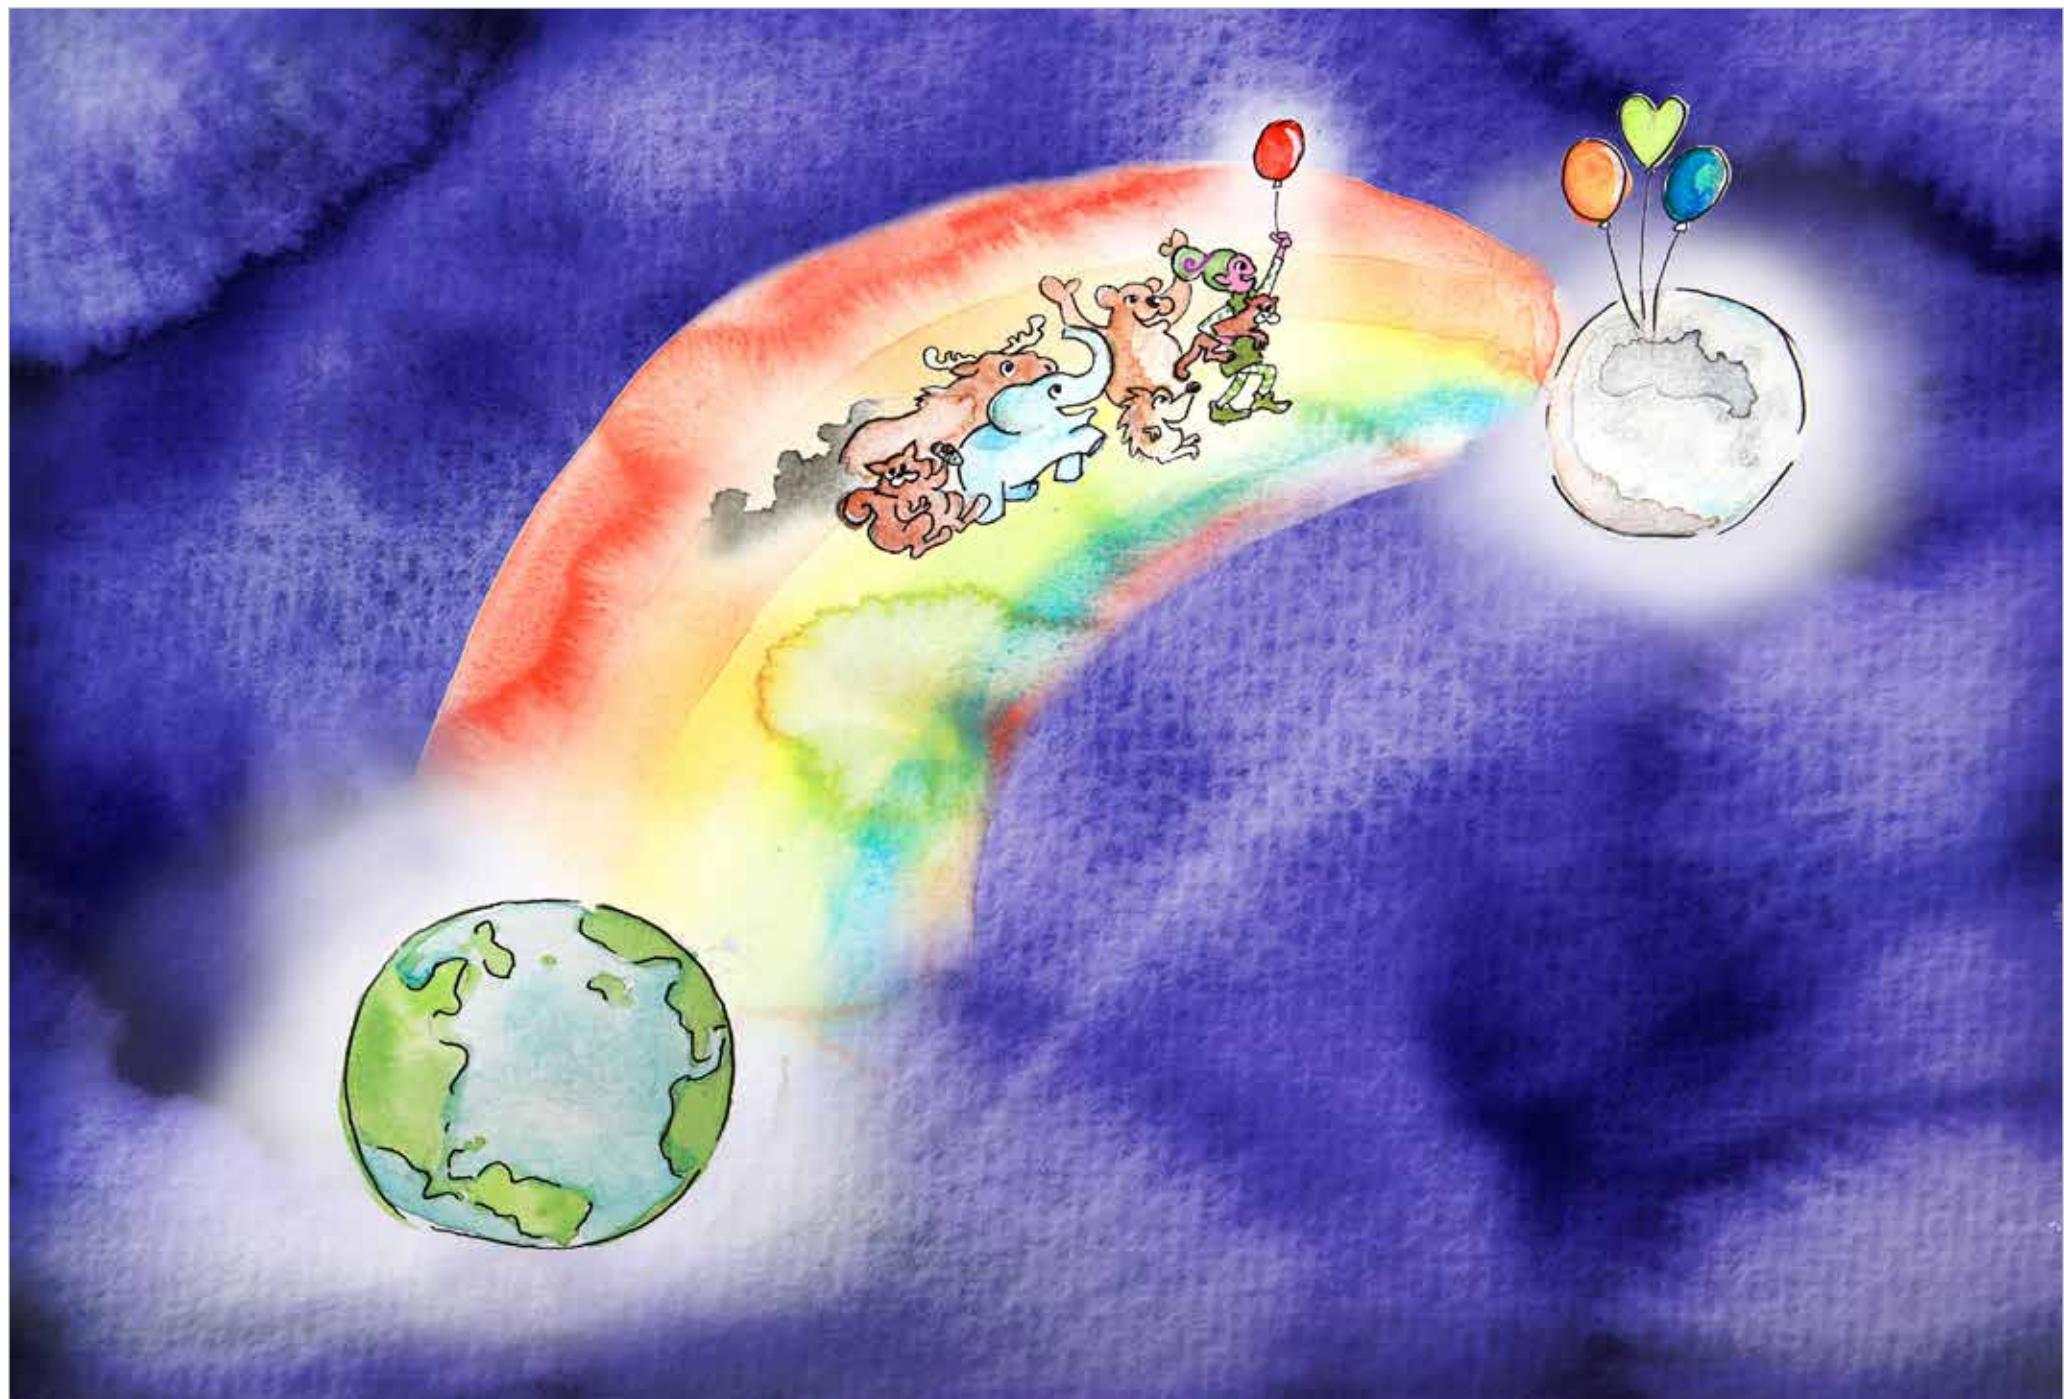

Quelqu'un appuya sur le mauvais bouton et tous furent projetés dans un jeu d'ordinateur.

Doris comprit.

Avec sa magie, elle les fit tous sortir du jeu et les invita à une soirée galactique sur la lune.

Picture 6 Et la fête a toujours lieu à ce jour.
