Tibetan Traditional Story
Swedish language version

“Fairy tales are more than true:
not because they tell us that dragons exist,
but because they tell us that dragons can be beaten.”

Neil Gaiman

Storkarna och sköldpaddan

Tibetan Traditional Story
Swedish language version

Author: Team led by Jamyang Dhomdup

Illustrator: Leona Tsiara

Det var en gång två storkar och en sköldpadda som bodde på en myr. Men myren höll långsamt på att torka ut.

Storkarna sa: “Vattnet kommer snart att torka upp så vi ger oss av. Farväl.”

Sköldpaddan sa: “Snälla, får jag följa med?”

En stork frågade: “Hur då?”

Sköldpaddan sa: “Om ni två hittar en pinne och en av er håller i ena änden av pinnen och den andra håller i den andra änden. Då kan jag bita mig fast i mitten av pinnen. Vad sägs om den idén?”

Storkarna gick med på överenskommelsen. De hittade en pinne och sköldpaddan bet tag i mitten av pinnen. Sen flög de som planerat över en by

Plötsligt fick ett litet barn syn på storkarna och sköldpaddan uppe i luften och sa: “Vilka listiga storkar!”

Sköldpaddan hörde vad barnet sa och blev arg. Han öppnade munnen och sa: “Det var jag som kom på idén!”

Sköldpaddan tappade direkt taget om pinnen och föll till marken och dog.
